Message from the Headteacher

I am pleased to say that the end of the day procedures are significantly better than they were—thank you for your understanding and for adhering more closely to our expectations around social distancing. Some of the younger children coming onto site are still not being supervised by parents/carers whilst waiting. Please ensure that they stand with you and are not climbing on ‘The Jolly Roger’ or playing on any wooden equipment on the field. These areas are out of bounds due to the cleaning that needs to take place after use. Therefore, for their safety, please ensure they remain with you at all times.

This week’s celebration assembly can be viewed via Class Dojo. We will continue to upload these videos until children are able to come together for worship and assembly times.

I hope you all have a great weekend.

Mrs Jones

Uniform Policy

A reminder that as part of our uniform policy, we do not permit extreme hairstyles or colours in school. I understand that over the lockdown period and summer, some children have experimented with new hairstyles but now we have been back at school for a few weeks, I would expect these to be growing out/fading out and not to be renewed.

Year 6 Residential—Isle of Wight

Parents/Carers of children in Year 6 will receive a letter on Monday 21st September about the planned residential trip in June 2021 to the Isle of Wight. If you do not receive a copy of this letter, please contact the school office.
