## **Message from the Headteacher**

Updated guidance has been issued to all educational settings following a period of lock-down from 5th November. I have shared an overview of how this currently impacts our school via letter which was emailed home yesterday. Please do take the time to familiarise yourself with the content.

Children have had their individual photographs taken this week. You should have received a QR code which will enable you to securely place any orders. Photographs will be sent directly to your home address. The children looked very smart but there are some children who have not been wearing their ties since returning to school. This is compulsory as part of our uniform policy, please ensure that your child has the correct uniform on each day.

Our parish church will continue to stream services and other events throughout the lock-down period. They will be hosting a remembrance service as well as online children's groups. A video outlining these events is available at <https://www.youtube.com/watch?v=9OX6fa6LXg8>.

I wish you all a good weekend

Mrs Jones

## Remembrance and Children in Need

Poppies are being sold in school this year.

Each class has an allocation of poppies available to buy for a small donation that can be brought into class. Please note that we are only selling poppies this year and not the usual range of remembrance products.

Children in Need is on Friday 13th November. Children are invited to wear their pyjamas/onesies that day to school in exchange for a £1 donation which again can be brought into class.

## Flu Immunisations

Please can parents/carers wishing for their child to have the flu immunisation ensure that they have booked by **24th November**.

All details are on Mrs Wick's Class Dojo post. The school code is 140367.

## New Arrival Times

After half term, children will need to arrive in school **between 8.30-9.00am** each morning. This will still allow a nice staggered start with plenty of opportunity to socially distance.

## Outwear for breaks and lunchtimes

As we are using our outdoor space more whilst maintaining social distancing, children will spend more time outside and on the field this winter. If you know that your child plays football or likes to roll around on the grass, please ensure that they have appropriate clothing to pop over their uniform so that they don't get muddy. Some children may also wish to bring in a pair of trainers/wellies to pop on to protect their school shoes.
