Dear Parents/Carers,

It has been a very positive first week back and wonderful to see the children back and classrooms a busy hive of activity once again. Overall, the children are settling in well to the routines of being back at school and we have been very impressed with their attitudes to learning, the relationships with each other and the positive mindsets that they have displayed.

We have lots planned for the summer term, starting with sports clubs reopening after Easter. Letters have gone out this week so please register your child if they are looking to take part.

A reminder that there is our parent/carer online safety session from The Two Johns on Monday 15th March at 8.00pm. The link can be found here <https://us02web.zoom.us/j/81530499645> As this can be accessed from the comfort of your own home, I encourage as many of our parents/carers as possible to join us. This fun yet informative session will keep you up to date with the very latest in online safety in this ever-changing landscape.

I hope you all have a good weekend.

Contacting the school office

A reminder that to speak to the school office you must select **option 4** now.

Otherwise you may end up leaving messages for our pastoral team which will not be picked up as regularly.

The school office is closed between 12-1pm each day for lunch.

Pastoral Team

We are very fortunate at our school to have a strong pastoral support team who work together to support our children and families in many different ways. These might be one off conversations or ongoing support throughout the whole time that your child attends Great Clacton.

To help our families further understand the roles of our pastoral team and who they might speak to, a document giving further information and their photos has been sent to all parents/carers today for your reference.

School Dinners

Our dinners are proving as popular as ever as the children return to school. Please ensure that you have booked your child's dinner via School Money at least the night before. If you are having trouble booking, please contact the school office who can support you with this.

A reminder that tuck is also available every day and can also be booked via School Money.

Sports Clubs

A letter has gone out advising you of the sports clubs that we will be running after the Easter Holidays. Places will be allocated on a first come, first served basis. Due to current restrictions, we are limiting numbers in line with our Covid risk assessments so please return your requests promptly.
