School Closed for Polling

Thursday 6th May

Dear Parents/Carers,

It has been a positive start to the half term with announcements being made about all children being able to return to school from Monday 8th March. A letter was shared yesterday giving details of what this will look like in our school but for the most part, systems and routines will remain unchanged from when the children were all last in school together before Christmas.

We are all looking forward to seeing the children on Monday 8th March, however if you have any concerns about your child's return to school or you/your child has been advised to shield or isolate then please do contact us so that we are aware in advance.

As much as there is positive news about the gradual lifting of restrictions, we are still very much in the midst of a pandemic. Unfortunately, this means that there will continue to be some disruption to classes either through shielding or in the event of a positive case. However I will communicate this with parents/carers who are impacted as we have done previously.

I hope you all have a good weekend and the opportunity to enjoy this lovely weather!

Mrs Jones

World Book Day

Next Thursday 4th March is World Book Day. Now as some children will be at home and some in school, we will be organising events that will be a little bit different this year. Your child's class teacher will share with you details of how their class will be taking part in World Book Day on their Class Dojo page.

As a whole school, we are going to take part in 'The Masked Reader' so please keep your eyes peeled next week for details of this.

Parking outside school

A polite reminder that parents/carers are not permitted to stop/park on the zigzag lines outside of the school site for safety reasons. When all children return on 8th March, there will be considerably more traffic so please be considerate of other road users and our neighbours. There have also been concerns raised about the speed at which some cars are travelling around school. Please ensure you take care when driving outside the school to avoid potential accidents.

Year 6 Residential Trip

A letter has been sent this week to all parents/carers of children in Year 6 with regards to the Isle of Wight residential trip. If you have not received this or have any further queries, please contact the school office

Art Project

Don't forget to bring your painted stones into school for our art project. Full details can be found on Class Dojo

Polling Station

We have been notified that the school will be required to act as a polling station for elections on Thursday 6th May. We had hoped that this would be cancelled/transferred to an alternative location due to the disruption already this year. However this will be going ahead as planned. I will send out further communication but please be aware that school will be closed to ALL children on Thursday 6th May 2021 and we will put in place a remote learning offer for that day. More details to follow.
