Dear Parents/Carers,

It has been a fantastic start to the summer term and the children have returned to school brilliantly. Well done to all those children who worked hard on the Vine Trust logo competition over the holidays. Our chosen top 4 entries were sent to the judges this week and are detailed below.

We have had confirmation this week that as long as the government road map continues to progress as expected, our Year 6 residential trip to the Isle of Wight should be able to go ahead as planned. We are waiting final confirmation and as soon as we have details to share with you about the itinerary, kit lists etc we will communicate these with parents/carers. In the meantime if you have any queries regarding payments, please contact the school office directly.

Please find details below of an online workshop for parents/carers about understanding and managing behaviour. This is a free course via Zoom. Please contact them directly to book your place or speak to Mrs Davidson for further information.

I hope you all have a great weekend

Mrs Jones

Parking

A reminder that we actively encourage our families travelling to school by car to be considerate and safe when parking near the school. A number of parents are continuing to stop on the zigzag lines outside the front of the school to drop children off. This is not permitted. Please also be mindful of your speed around school as there are children and families crossing.

Vine Logo Competition

Well done to the following children who were selected to represent the school in the Vine Trust logo competition.
