Well done 3W for the most Dojos this week!

Dear Parents/Carers,

Those families with children who will be joining us in Year 3 in September have received their offer letter and we have written to welcome them to our school. Next half term there will be transition arrangements shared for those children joining our school as well as those children currently in school moving to new classes. Year 6 children will receive transition visit details directly from their secondary schools.

A polite reminder that if you are bringing younger siblings onto school site, they must remain under the care and supervision of their parent/carer at all times. We are still encouraging social distancing and some of the younger children have not been displaying safe behaviour whilst on the school site.

Our picnic lunch was a huge success and it was wonderful to see the children enjoying the spring weather and delicious menu in celebration of National Picnic Day.

I hope you all have a good weekend

Mrs Jones

## Notifying the office of absences

Please ensure you contact the office on all days that your child is absent. We are finding that some parents are not reporting their child as absent which leads to the office having to contact parents and our pastoral team carrying out welfare checks where contact cannot be made.

Please also ensure that the office hold your latest contact details.

## Class Photos

Children will be having their class photos on Tuesday 11th May. If we have not yet received the purple photo permission form back, your child will not be able to have a photo. Please ensure you have returned this before that date.

## Chicken Coop

We are hoping to extend our Great Clacton family with the addition of some chicks in May! If you have or know someone who could donate a chicken coop (or something that would work similarly to this) please let the school office know.

## Uniform

Children can now wear their summer uniform options (which includes the blue and white summer dresses). Our uniform policy is available on the school website.

A reminder that all children in all year groups should be wearing a button shirt and tie unless they are wearing the summer dress option.

Footwear must also be plain black and no sandals are permitted.
