Dear Parents/Carers,

This week I had the privilege of spending a few days with the Year 6 children on their residential. After many months of uncertainty about whether it would go ahead, we were finally able to go to The Isle of Wight as planned—and what a fantastic trip it was. The children were all superstars and represented our school and their families beautifully. Wherever they went, they were complimented on their manners and impeccable behaviour. The children had some truly amazing experiences as part of the trip and as one child said ‘I don’t need to buy souvenirs as I have memories and photos that I can keep forever.’

Have a lovely weekend.

Transition Days

In light of the government announcement that restrictions will not be lifted from 21st June, our planned transition days have been impacted.

CCHS are now hosting one transition day for our children on 6th July. We therefore will be reviewing our plans. Currently we are hoping to proceed with 2 days for all children who will be moving into Years 4-6 but we will have to look at smaller transition sessions for Year 3. I will be writing to you shortly about these plans in more detail.

Parent information sessions for both new year 3 children and the Year 6 children moving to CCHS will also be online rather than in person. Again more details will follow in the coming weeks.

If your child has SEND or would benefit from additional sessions, we will be aware of this and these sessions will be arranged as needed.

Music Tuition

Letters have gone out about registering your child for 1:1/small group music lessons from September. If your child previously had lessons or would like to learn an instrument, please follow the steps on the letter.

Children bringing in things from home

A reminder that children should not be bringing in any toys/items from home. At the moment this applies in particular to fidget toys such as ‘pop-its.’ If your child has SEN, Mrs Nunn will issue school fidget toys in line with their One Plan/EHCP.
