Children in Year 3 only return to school

**Friday 3rd September**

All children return to school

**Monday 6th September**

Dear Parents/Carers,

Many of our children were able to enjoy some transition time in their new classes with their new teacher and support staff this week. It was lovely to see the new class dynamics and all the children did really well in their new year groups. A big welcome and well done to our new Year 3 children who had to join us for a remote transition session. We are looking forward to seeing you in school soon!

The government has unveiled updated and very welcome school's guidance that will come into place from Monday 19th July 2021. This is subject to the country moving to stage 4 of the roadmap which is due to be announced on Monday 12th July. Once this is confirmed, I will write to you advising you of plans for the children returning to school in September. In the meantime, current guidance remains in place. Please continue to follow the household isolation guidance and notify us if your child or anyone they have been in contact with develops symptoms. This is particularly important due to the sharp rise in cases locally over the past 10 days.

**A reminder that school finishes at 1.30pm next Friday 16th July for all children.**

Have a good weekend.

Mrs Jones

## Reports

Your child will be bringing home their end of year report next week. If you have not received this by Thursday 15th July, please contact the school office.

## New Menus

Our new menus have been shared and will be available shortly to book on School Money. These menus look delicious and we are really excited to be able to offer some new options to the children based on their feedback.

We will continue to offer a tuck option for all children from September. The tuck consists of a flapjack or piece of fruit and a drink for 65p per day.

## Marvellous Me

You should have received your log in details for your child's new class on Marvellous Me. If you have not received this or need help setting up the app, please contact the school office.
