WEEK 2

Dear Parents/Carers,

This week, we welcomed three visitors into school as part of our Challenge Partners Review. The purpose of this review is to externally validate our own self assessments and celebrate our school achievements. The review team consisted of two experienced headteachers and a former Ofsted inspector. During their visit, the team spoke to children, staff and local board members as well as visiting lessons and looking at work.

We are very proud of what we were able to share with them and the feedback that we received. After restricting visitors to our school for such a long time, it is great to be able to share our excellent provision with others. I hope to have the report shortly which will be published in full on our website and I will share some of highlights with you.

A reminder that the bookings are open for parents evening appointments via School Cloud which can be accessed through our Weduc platform. We are also looking forward to welcoming you into school for COOL (Celebration of our learning) Events this half term. These will be opportunities for you to look at your child's work and for them to share their learning with you. Invitations will be sent home from each year group in the coming weeks.

Finally, this week has brought a major shift in the Covid requirements as shared with you in my letter. Please ensure you have read the update to the guidance as outlined especially the changes in close contact requirements and routine testing. Any absences related to Covid should still be reported in the usual way.

Have a lovely weekend

Marvellous Me Badges

Our new Marvellous Me platform enables children to earn online badges for demonstrating positive behaviours and our school values.

- 3D—0
- 3W— 0
- 4C—0
- 4D— 100
- 5H—74
- 5O— 53
- 5W—6
- 6B— 122
- 6N—0
- 6W— 6

A slow start to the half term but well done to class 6B for the most badges this week.

World Book Day

Next Thursday 3rd March, we will be celebrating World Book Day. Children are invited to dress up as their favourite book character for the day and will take part in a range of reading activities.

School Uniform

Please could you ensure that all children have their tie on at the start of each day. We allow children to remove these if they need to at lunch if taking part in football but otherwise should be worn all day. Teachers will be monitoring uniform closely this half term and contacting parents where uniform is not correct.

Late Lunch Booking

In order to book a school lunch for your child, this must be done at least the day before you require the meal. School Money will not let you book a dinner in the morning for lunch that day. It is not a problem if you have a sudden need to book a dinner—you have noticed you have no bread that morning or your child forgets their lunchbox etc but please do let the office know in the morning by calling them or popping in. This will ensure that your child gets added to the list for that day and so that Dan can make the right quantities.
