Well done to 3D for the most badges again this week—good effort 6B, it was very close indeed!

Dear Parents/Carers,

This week we have seen a number of Covid cases in school which has impacted some of the events that we had planned. Please do check the dates to the left of the newsletter and Weduc for the new times for some of our COOL events that had to be rescheduled and will now take place over the remaining two weeks of term.

This week, parents evening took place via our new School Cloud system. We had the highest attendance rate to this event that we have had before so thank you for supporting the move to virtual appointments. We hope to start offering other virtual appointments with members of our Pastoral and SEND team too moving forward.

The children looked fantastic in their red attire in aid of Comic Relief today. Final money is being counted but we raised £222.40. We had great fun taking part in some of the events today such as the nose and spoon race. A big well done to our Community Ambassadors for delivering and assembly for each year group on why we support Comic Relief and how your donations are used. Well done to everyone for taking part.

I hope you all have a good weekend.

Free School Meals Vouchers

Children who are eligible for Free School Meals will again be receiving vouchers over the Easter holiday for both Active8 holiday clubs and food vouchers.

These will be sent via email with the club vouchers being sent next week in order for you to book the clubs and the food vouchers coming via Wonde on 4th April.

Field use at Break and Lunch

As the weather continues to improve (fingers crossed) children will not need to bring a change of clothing/footwear into school to enable them to play on the field.

If it is their class football day, footballers may wish to continue to bring in a change of footwear as appropriate for playing in. We look forward to being able to use the field again over the coming months and enjoying the spring weather.

Netball report

On 16th March, we played against Frinton Primary School. In the first quarter of the game, it was end to end action with Gt Clacton coming out on top and Jack Skinner scoring the only goal 1-0 to Gt Clacton.

Second quarter we came out even stronger, Frinton didn't even get into our third, we had complete possession of the game and had an abundance of shots. Unfortunately, we were unable to score any goals -still 1-0 to Gt Clacton Third quarter again we had most of the play, we didn't concede but couldn't score either—still 1-0 to Gt Clacton.

Fourth and final quarter the game was end to end again with Frinton having one shot and scoring, 1-1, Frinton managed to get a second shot and score again making it 1-2 to Frinton. Ellis Browne took a long shot and scored for us pulling it back to 2-2, then in the last 30 seconds of the game Frinton broke through one more time and scored with the result being 2-3 to Frinton. An extremely frustrating and unlucky game for Gt Clacton on this occasion.
