Dear Parents/Carers,

This week we welcomed colleagues from Challenge Partners into Great Clacton for our annual review. The review team were with us for three days and during this time they met with leaders, teachers, children and parents as well as visiting lessons, looking at books, policies and procedures. The process was incredibly positive and I am excited to share the report with you once it is finalised. The behavior and attitudes of children came through the visit as a real strength with our vision of 'Let your light shine' radiating through our provision. I am incredibly proud of the feedback that we received from this visit and grateful to everyone who took the time to be involved in this process.

Today, children from across the school took part in Drum It! A wonderful musical experience arranged by Miss Walker as part of our music curriculum. We have other music workshops planned this year for children to enjoy and take part in. As a result of this, there was no celebration worship today but we will be rolling this over to Monday instead.

Next Thursday the whole school will be visiting St John's church to take part in our Christingle service. This is always a lovely service for the children to mark the beginning of Advent and the Christmas season officially. This is a service for our children only but don't forget the following week, you are warmly invited to our carol services and we look forward to seeing you there.

Have a lovely weekend.

Field Use—Change of Clothes required

If children wish to use the field over the autumn and winter seasons, they need to have a change of clothes/trousers and shoes or coveralls.

Children without a change of clothes and shoes, will not be able to play football during their class football day.

Christmas Dinner

From Monday 28th November you will be able to book your child's Christmas dinner via School Money. Our Christmas dinner days are Wednesday 14th December for Years 3/4 and Thursday 15th December Years 5/6.

Match Report—Girls Football

This was our first match this year against St Clare's and our first time playing together as a team. We started the game very well. In the first few minutes, Chelsie made a brilliant sliding save to stop them scoring first.

We scored 5 goals in the first half (all Anna-belle). In the second half Sienna, Poppy and Esmee scored.

We won 9-0!

The girls played very well, using what we have been practicing in training and both Saffron and I are really proud of them! We are due to play St. Osyth in December.
